Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-877-774-8592 (TTY/TDD: 711). We are open from 8:00 a.m. – 8:00 p.m., local time, 7 days a week. If you are calling from April 1 through September 30, alternate technologies (for example, voicemail) will be used on the weekends and holidays.

Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit getbluetx.com/mapd or call 1-877-774-8592 to view a copy of the EOC.
- ☐ Review the *Provider Finder* (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the *Pharmacy Directory* to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2023.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the *Provider Directory*).

Coverage Gap Stage: Standard Retail Pharmacy

	Blue Cross Medicare Advantage Value (HMO)SM
Coverage Gap Stage	<p>Your plan provides additional coverage through the gap. For Tier 1, you continue to pay the similar amounts as you did in the Initial Coverage Stage.</p> <p>Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$4,430.</p> <p>After you enter the coverage gap, you pay 25% of the plan's cost for covered brand name drugs and 25% of the plan's cost for covered generic drugs until your costs total \$7,050, which is the end of the coverage gap. Not everyone will enter the coverage gap.</p> <p>Under your plan, you may pay even less for the brand and generic drugs on the formulary. Your cost varies by tier. You will need to use your formulary to locate your drug's tier.</p>

Catastrophic Coverage Stage
